Dear Ms. Dapprich,

It seems everyone who attended your workshop wants me to express appreciation for your and Joseph's inspiring presentation at the FEB QUAD conference on September 2, 2015. Your years of research, your depth of understanding of LGBT issues, and your ability to present the subject in such an interesting way produced one of the most memorable presentations in the conference's history. I personally appreciated how both of you engaged participants in an open dialogue before beginning to educate us on the issue.

Thank you both so much for sharing your time and expertise with us. We hope that you also enjoyed yourselves and we look forward to when you can join us again.

Sincerely,

Jaqueline H. Arroyo
FEB Executive Director
