CREATING A SAFER WORLD FOR ALL YOUTH

## About YES Institute

**Vision** - A community in which all youth develop as healthy individuals free of suicide, violence and discrimination.

**Mission** - To prevent suicide and ensure the healthy development of gay, lesbian, bisexual, transgender and all youth by initiating dialogue, providing education, and creating support systems.

We work in dynamic partnerships with individuals and organizations that have a commitment to creating a safer world for all youth. Schools, parent groups, healthcare settings, justice departments, clergy, and non-profit organizations contact YES Institute seeking non-confrontational communication and innovative education and training on gender, orientation, leadership and communication.

YES Institute offers groundbreaking innovative workshops on gender, orientation, communication and leadership. Universities from around the country seek our materials as the most up to date and innovative on these topics.

## Dialogue for Purposeful Action

YES Institute helps people begin a dialogue on gender and orientation, which focuses on a shared purpose of safety for all youth. We facilitate open, inclusive discussions that honor all points of view. YES provides trained facilitators and speakers to organizations and individuals struggling with these topics or silenced by fear.

## Powerful Education Courses

YES Institute offers groundbreaking innovative workshops on gender, orientation, communication and leadership. Universities from around the country seek our materials as the most up to date and innovative on these topics.

YES Institute courses are open to everyone and offer Continuing Education Units (CEU) to teachers, counselors, registered nurses, clinical social workers and mental health professionals. YES Institute is accredited by the **Florida Department of Health, Miami-Dade and Monroe County Public School Systems, Roaring Fork Schools in Colorado**
